P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This communication is responsive to the Interview Summary mailed August 16, 2004. Applicants acknowledge that they had a telephonic interview initiated by Examiner Winkler in August but our records indicate the date to be August 11, 2004. The Examiner provided an Interview Summary of that August 11, 2004 telephonic interview mailed August 16, 2004 and Applicants have nothing to add to that summary. In a follow-up telephone call on September 13, 2004, the Examiner indicated that because she had provided an Interview Summary, Applicants did not need to provide an additional Interview Summary. The Examiner suggested that Applicants file this communication in order to be responsive to form PTOL-413.

Applicants believe that no fee is due with this communication. However, in the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorizes the
